Can you believe it is already October?

The first month of school has flown past us so fast. I looked at the calendar and realized it was already a new month! I guess time really does fly when you are having FUN!!! It has been so amazing getting to know all of the children so far. We have an extraordinary group of friends this year, which surely shows in the classroom. They have caught onto rules, made new friends, adjusted to routines and much more with in the first full month of school. I have never had this before in my 23 years of teaching!!! I am so proud of this group! Kudos to all of you for raising such amazing children! You all ROCK at Parenting!

So Much Fun has been had.....

We learned about Pete the Cat, and Mo Willems the amazing author of the famous Piggy and Elephant, that we all love. We got into the school spirit, making pom poms and learning some fun cheers by an old cheerleading coach (shhhhh, I'm the old cheerleading coach of many years)! We also had an amazing gentleman join us all the way from Spain to teach us some Spanish words each day while dropping off his super bilingual granddaughter. I will be sending you all the list once it is complete. He will return January 23 to continue our lessons!

Pete the Cat

Food Services/School Breakfasts

As you may have heard all children under the age of 18 are now eligible to receive FREE BREAKFAST at school each morning! This will start on Tuesday, October 11, 2022. Breakfast will ONLY be available and served until 8:40 each morning. If you arrive after that, your child will not be able to eat breakfast at school that day, but may still have the am snack! You MUST let Bethany (at the office) know ahead of time if your child plans on participating in the FREE BREAKFAST program! This will ensure that we order enough for each child that wants it! If you have any questions, please let me know!

OCTOBER BIRTHDAYS

Iris 15

Allison 21

Mrs Georgia 27

Up Coming Themes in Kindergarten Care

October 10 Fall Fun

October 17 Career Week

October 24 Down on the Farm (Charlottes Web)

October 31 Eric Carle (Author Study)

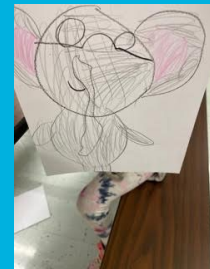

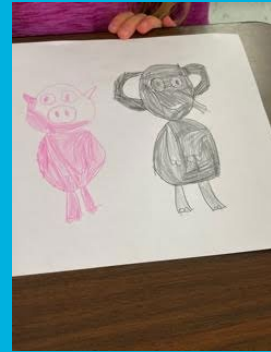

Playdoh Fun

STEM Building

*Some Mo Willems
Fun.....*

We LOVED Piggy and Elephant books the most! Mo Willems also wrote great books about a Pigeon, Leonardo the Monster and Knuffelbunny! There are so many more amazing books, but we just ran out of time! Please check out some of his other books from the local library to read with your child!

Missing Mommies and Daddies During the Day

Some of the children often come up to me saying..."I miss my Mom/Dad"! We talk about how they will always come back to get you, how they will get to spend the night with you telling you all about the fun they had at school/ extended day today, how you all miss them just as much as they miss you, etc. Then I give them 999 hugs and get them settled with an activity. It works.....sometimes, they just need that little bit of extra TLC to get them through their days. They are young, they are adjusting, they are learning how to process through life! This made me think of this poem.....

Little Time By: Lisa Dora

They climbed up in my lap today,
Just to be held, that's it.
They didn't want to sing or play
Just fill my arms and sit.
They climbed up in my arms today,
With a blanket and a smile.
They didn't need that much from me, Just a little while.
They climbed up in my lap today, to remind me they are here,
And that despite all the things I give.....
All they want is TIME!

Meet Andi Mae..... This is Mrs Mandys precious daughter! Mrs Mandy is a Hoover KC teacher that will be rejoining us on October 17, 2022, after a nice maternity leave with her new baby girl! Please welcome her back with open arms, as she adjusts to working again, leaving her baby girl for the first time and just getting use to a new sleep deprived life as a family of four! Welcome Back Mrs Mandy.....We missed You!!!

HAPPY FALL
