

Community Service Project

This year for our MLEDP Kindergarten Class Community Service Project, we would like to do "Birthday in a Bag"! What that entails is putting together a bag with the following items:

- *Box of Cake Mix
- *Can of Frosting
- *Birthday Candles
- *Bag of Balloons
- *Homemade Card (from the children here)
- *Disposable Tin Pan (for baking)
- *Gift Bag (to store it all in)

We are asking for donations of the above items to be brought into MLEDP Hoover KC starting now until November 18, 2022. The children will assemble and make cards for as many bags as we can with the donated supplies. We have paired with Bethany's Birthdays, an organization that helps children in need receive a bag of birthday related items, to ensure all children get to have a cake and celebration on their birthday! Anytime someone calls into Bethany's Birthdays needing a birthday cake for that special celebration, they can request a "Birthday in a Bag"! We will also be talking about the importance of giving back to our community and doing kind things for others the week of November 14-18! If you have any questions, please do not hesitate to ask! Thanks in advance for your participation with this project! The children are all very excited about it!

Sincerely,
Mrs Heather and Staff at MLEDP Hoover KC
