Sharing Cultures!

Foster MLEDP Staff
 Miss Kelly - Center Director
 AM/PM: Miss Debbie
 AM: Miss Lisa PM: Mr Cory

A simple definition of culture is, "A way of life." It is our goal to encourage a sense of belongingness, promote an appreciation of others and enrich children's experiences by integrating into our activities information that reflect our individual children's background. One way we can do this is by learning about each child's family background, celebrations, and traditions. Please take a few minutes to share with us your special family days or favorite activities and how they are carried out in your home. You can complete the questionnaire in person at the center or you can submit via our MLEDP website.

Early Outside Time
 Each age group has been given an assigned day for early outside play time from 3:45-4:15.
 Monday: 2nd and 3rd Grade with Miss Debbie
 Tuesday: 1st and 2nd Grade with Miss Kelly
 Thursday: 4th and 5th Grade with Mr Cory
 Friday: All Grades
 Please be sure your child is dressed for the weather!

The Germinator
 At Foster we have been working very hard on keeping our community germ free. "The Germinator" is an award given to children who show exemplary sanitation skills. The children and staff can nominate a child to represent their success with a kid crafted germinator badge. They wear the badge for the day and then pass it off for the next winner. The kids have done an amazing job creating art and conversation in support of keeping as germ safe as possible.

Pop Tab Collection
 Starting in December, MLEDP Foster will be collecting pop tabs to donate to Ronald McDonald House Charities. For over 47 years, RMHC has ensured families everywhere have access to the care and resources they need- especially when they have a sick child. Collecting pop tabs is a great way to teach kids about philanthropy and the importance of recycling in the US, all while raising funds to help children and their families. We will have a container available in c...

DATES TO REMEMBER ↓
