2023 brought big changes for MLEDP Lincoln KC! We started in a new room at Lincoln and said hello to a new Center Director, Ms. Mandy! We explored the art of many different artists from different such as Picasso and Keith Haring. Then, we used that art to inspire us to create our own! After discovering new things in the art world, we dove into the imaginative land of fairy tales. We measured Rapunzel's hair, investigated how to save Humpty from his fall, and started growing our own bean stalks! We will have to continue to water and observe our beans to see what happens next month. February brought us a new Center Director named Ms. Amy. This new hello means we say see you later to Ms. Mandy as she goes back to Hoover Kindergarten
! February also brought Ezra Jack Keats Author Study where we meet Willie and Peter. We created our own city artwork, won awards in a KC Pet Show, and meet the challenge of building a chair for a

**Welcome our new Center Director
and teacher, Ms. Amy!!**

About Ms. Amy... My name is Amy Perlmutter, and I am the new center director for MLEDP Lincoln Kindergarten Care. My husband and I have three daughters, and two dogs. I spend most of my time traveling for my daughters' sports events. I also enjoy reading, cooking, golfing, and yoga.

I have an extensive background in education and operations that spans from elementary education to owning and operating a successful business with my husband. I began my teaching career in Florida where I taught 3rd, 4th, and 5th grade. After that, I was the CFO/Human Resources Manager for our business for ten years. Then I went back into teaching and taught 2nd grade for two years. I was also a 1st-grade virtual teacher and curriculum writer.

I am looking forward to working with you and your child. I am a strong proponent of an open-door policy and I welcome conversations regarding your child to ensure a successful school year.
