

Mt Lebanon Extended Day Program is Hiring!

We are currently hiring year- round teachers for our before and after school program and kindergarten program. Our programs are located in the Mt. Lebanon schools. The program focuses on the social/emotional learning of the children through recreational games, STEAM activities, arts & crafts, and other engaging projects.

Typical Responsibilities Include:

- Set up for daily scheduled activities
- Assist children with homework assignments
- Facilitate STEAM related clubs and activities for a group of up to 12 children

In addition to the above responsibilities an ideal candidate will:

- Have a passion for working with school-age children
- Be enthusiastic and engaging with children
- Enjoy working with a team of other teachers
- 2 years experience working with children
- High School Diploma, CDA, associates degree or Bachelors degree preferred

AM/PM shift includes the following benefits:

- Medical/Dental/vision insurance (agency covers 75% of single coverage)
- Personal and vacation time
- Paid holidays
- Annual merit increases
- Paid professional development
- Competitive salary based on experience and education'

Job Type: Full-time/Part Time

Come join a team full of creative, fun loving, positive individuals, that share a love for children and successfully impacting their growth and development!
