August 24, 2023

Dear Parents,

Welcome to Markham Mt. Lebanon Extended Day Program! We look forward to providing a fun, enriching, and supportive environment for your child. Our after-school program will offer active play, opportunities for socialization, STEAM, and creative social/emotional engaging activities.

Drop Off and Pick Up: You may park in the small parking lot off Beadling Road. Our entrance is the first door up the steps at the end of the building nearest the lot.

Use Entrance D10

Center Location: Lunchroom

Snacks: MLEDP will provide a simple packaged afternoon snack. Attention is given to selecting healthy portions the children enjoy to hold them over to suppertime.

Programming: A variety of active play, science, nature, art, and imaginary play activities will be planned for both indoor and outdoor spaces. Respect is a vital part of how we relate to one another at MLEDP. We show this in our regard for others' property, belongings, beliefs, and physical and emotional well-being. We are anticipating a year filled with growth, friendships, discoveries, and enjoyment for all.

Important Note: Please always directly contact Markham MLEDP if your child will not be attending the program on a scheduled day. This can be done via phone call, email, or a written note on the "Parent Notes" sheet near sign-in. If you are emailing the school about an absence or early pick-up, please CC us. Failure to call off will result in a \$25 fee.

Please check out the Parent Handbook on the mledp.org website for additional information.

Meet the Staff:

Danielle Nuttridge is the new center director at Markham MLEDP this year and couldn't be more excited. She has previously worked as an 8th-grade ELA teacher, so reading, storytelling, and dramatic play are some of her favorites.

Mary Dudas works at Markham full-time and part-time at MLEDP. She enjoys hanging out with family, going to the beach, and going to sporting events. She can't wait to get to know all your Markham students!

J.C. Johnson taught elementary school for 25 years before retiring and is very happy to be back in school! She loves puzzles and board games, and owns the world's best dog, named Gus. She can't wait to get to know your Markham student!
