Sled Riding

We have a small hill on which we can sled ride. Since we have a limited number of good sledding days, and your child is not always at home in the daylight on those days, we would like to offer him/her the opportunity to sled ride at MLEDP.

Of course, the child must have snow pants, (or a change of clothes) boots, gloves, and a hat. You may send in a helmet if you wish. We have plastic sleds at the center and we limit the number who can ride at a time.

If you give permission for your child to sled ride at MLEDP, please sign below.

I give permission for my child, \_\_\_\_\_  
to sled ride under the supervision of the staff of MLEDP.
