

Long Day Information

for staff

What is a Long Day?

Long days are specified full days of care that are offered to parents when MTLSD is closed. MLEDP will be open for an entire day of care 7am-6:30pm. Long days are billed separately from the families normal monthly contracted payment.

How do parents sign up for a Long Day?

Two weeks prior to the long day a sign up sheet will be posted in the MLEDP parent area. Parents will need to check yes if their child will be attending or no if their child will not be attending. Deadline for sign up will be posted. No children will be accepted after the deadline has passed.

Any child who is signed up will be billed for the day regardless of attendance.

What will children need for a long day?

For most long days the children will only need to bring a packed lunch with a drink and weather appropriate clothing including tennis shoes. If any additional items are permitted the Center Director should be sure parents are aware.

No electronics are permitted!

Location:

Long day locations are announced each year based on the school districts space availability. You will be combined with at least one additional center.
